4. Definition

5. Procedure

5.1 Every year or when justified by other circumstances the Quality Manager shall call a meeting of the Director, Accreditation Managers, Assistant Accreditation Managers, Accreditation Officers and a representative of Top Management of the Ministry of Industry, SME and Cooperatives (Industry Division).

5.2 The Quality Manager shall provide a report covering all the management review inputs that are on the agenda for the meeting. The report shall indicate the effectiveness of the management system. These management review inputs shall cover at least:

- results of audits;
- results of peer evaluation where relevant;
- participation in international activities, where relevant;
- safeguarding impartiality;
- feedback from interested parties;
- new areas of accreditation;
- trends in nonconformities;
- status of corrective actions;
- status of actions to address risks and improvement/opportunities;
- follow-up actions from earlier management reviews;
- fulfilment of objectives;
- changes that could affect the management system;
- analysis of appeals;
- analysis of complaints.

5.3 The notes of the meeting shall cover the discussions related to the management review inputs and outputs. The outputs of the management review shall include further actions. These actions shall be recorded by the Secretary of the Management Review Meeting and followed-up by the Quality Manager. These actions shall be related to:

- improvement of the management system and its processes,
- improvement of the services and accreditation process in conformity with the relevant standards and expectations of interested parties,
- need for resources, and
- defining or redefining of policies, goals and objectives.

5.4 The Quality Manager shall maintain the notes of the meeting.
